## ELIGIBILITY AND DEFINITION OF CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. Limited Agility Shows, special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

**Class Structure.** A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

**Progression.** Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be Agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

**Points Progression.** At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant point's scheme (Regulation K3.c refers) except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however, once a dog has progressed, it cannot return to a previous grade. Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed

### STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and point's progression referred to in the definition apply only to one dog and not an accumulation of dogs.

#### Grade 1 (Elementary)

For owners, handlers or dogs which have not gained a first place in an Agility Class or 3 first places in Jumping Classes at Kennel Club licensed Agility Shows. N.B. Owners, handlers or dogs previously qualified out of Grade 1 (Elementary) are not eligible for this class.

#### Grade 2 (Starters)

Open to dogs which are not eligible for Grades 1,3,4,5,6,7, and have not gained a first place in an Agility Class or three first places in Jumping Classes at Grade 2 at Kennel Club licensed Agility Shows, or elected to progress on points from Grade 1. N.B. Owners, handlers or dogs previously qualified out of Grade 2 (Starters) are not eligible for this class.

#### Grade 3 (Graduate)

Open to dogs which are not eligible for Grade 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed Agility Shows and dogs which are not eligible for Grade 4, 5, 6 or 7.

#### Grade 4 (Novice)

Open to dogs which have gained a first place in an Agility Class or 3 first places in Jumping Classes at Grade 3 or elected to progress on points from Grade 3 at Kennel Club licensed Agility Shows and are not eligible for Grade 3, 5, 6 or 7.

#### Grade 5 (Intermediate)

Open to dogs which have gained a first place in an Agility Class or 3 first places in Jumping Classes at Grade 4 and are not eligible for Grade 3, 4, 6 or 7.

#### Grade 6 (Senior)

Open to dogs which have gained a minimum of 3 first places at Grade 5 at Kennel Club licensed Agility Shows, one of which must have been gained in an Agility (not Jumping) Class, and are not eligible for Grade 3, 4, 5 or 7.

#### Grade 7 (Advanced)

Open to dogs which have gained a minimum of 4 first places at Grade 6 at Kennel Club licensed Agility Shows, 2 first places must be gained in Agility (not jumping classes)

#### Lower Height Option.

Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in these regulations and must be clearly identified in the schedule. When the Lower Height Option is scheduled a dog may only be entered at either the Full height or at the Lower Height and cannot compete at a different height in any class at that competition. For these purposes a competition shall be defined as all classes covered within the same schedule.

Each relevant class will have two heights with a change part way through to higher/lower the jump heights and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cars/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category.

## Special Classes

**Allsorts:** Open to dogs not entered in any standard class at the show. Heights will be set at Micro, Small & Medium. You may choose on the day the height you wish to compete at. The Agility class will have a lower a-frame set at 1.33m to apex **and lower dog walk**, and no see saw, weaves or tyre. These classes will be nice flowing courses.

## DOGS IN CARS ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

## **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.
