The Laser knockout pairs

RULES

The 'Laser' Knockout Pairs is a fun competition, sponsored by Adams Agility

- 1) The class will be open to all large dogs.
- 2) There will be eight qualifying heats. The top four pairs from each heat will qualify for the Final, which will take place on Saturday 16th August 2014 at Adams Open Show at Catton Hall. Once a pair has qualified for the final, they may not run in further heats for the final which they have qualified for.
- 3) Handlers may enter more than one pair. Dogs may only compete in one pair in any heat. If a handler has entered more than one pair and is drawn to run against themselves, they may nominate another handler to run one of the dogs. That handler must then continue to run the dog for the rest of the heat and if they qualify for the final, they must run the dog in the final. Alternatively the handler can nominate which pair should continue in the heat.
- 4) The pairs will compete against each other over two similar courses. There will be a judge for each course. There will be a baton change between the first and second handler which must take place behind a line, failure to do so will incur 100 faults. Time and faults will be added together and the winning pair will be the one with the lowest time. The judges' decision will be final.
- 5) The course will consist of 10 obstacles, made up of jumps, tunnels and weaves (6 poles) only. Normal marking will apply. If a dog is eliminated, it will incur 100 faults. Should both pairs be eliminated, the pair which was eliminated first will lose.
- 6) The winning pairs from each round will go through to the next round until there is only one pair remaining.
- 7) Pairs will be issued with a running order which must be strictly adhered to. Pairs failing to run when due will be knocked out and the other pair will go through to the next round.
- 8) Only handlers and dogs originally entered may compete at the final (except in the case of rule 3). Any changes are at the organisers' discretion.

The winners and runners up for each heat will receive a trophy and rosettes will be presented to the last 8 pairs.
