Welfare of Dogs: A competitor whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs health and welfare at risk by any action, default, omission or otherwise. A breach of these regulations may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Dogs in Cars: Your dog is vulnerable and AT RISK during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Camping: Camping is limited and will be allocated. Camping spaces will be at least 9m x 9m in size. Only one unit and/or vehicle per camping space, additional vehicles will be asked to park in day parking area. All camping units must have a fire extinguisher and/or bucket of water available. No training equipment to be used in the camping area.

Please note: We are unable to provide shower facilities at this show

Vehicles: Please be aware that the entry to the venue and the camping fields are narrow so care must be taken with large vehicles and caravans particularly in the event of bad weather. NADTC accept no responsibility for damage to vehicles or caravans howsoever caused.

Please ensure all vehicles have a tow-ring, as in the event of bad weather vehicles may have to be towed.

Please obey all instructions from stewards concerning parking, traffic movement and camping.

No overnight camping/sleeping in cars is allowed in the car parking area.

Exercise Area & Dog Waste: Exercise areas will be clearly marked. Please be considerate to other people. **No more than two dogs off lead per handler.**

Please clean up after your dogs in **all** areas of the venue, including exercise areas.

By entering the show you indicate acceptance of these conditions. Failure to comply with any of these conditions may result in the expulsion from this and exclusion from future NADTC shows and may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Eligibility for Classes

In the following definitions of classes First Prize or other prize wins are those gained in standard classes at any Kennel Club licensed Open Agility Shows (i.e. Limited Agility Shows, special classes and invitation events excepted). Only a first place with a clear round within course time will count towards grade progression.

Agility classes to include contact points and Jumping classes where there are not contact obstacles. With this proviso classes are defined as follows:-

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will require one Agility win or three Jumping wins at that grade, except that progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Points Progression. At the handler's discretion a dog may progress up to Grade 5 by winning 75 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however, once a dog has progressed, it cannot return to a previous grade.

Standard Classes

Only First prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the edibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1 (Elementary) For owners, handlers or dogs which have not gained a first place in an Agility Class or three first places in Jumping Classes at Kennel Club licensed Agility Shows. *N.B. Owners, handlers or dogs previously qualified out of Grade 1, (Elementary) are not eligible for this class.*

Grade 2 (Starters) Open to dogs which are not eligible for Grades 1, 3, 4, 5, 6, 7 and have not gained a first place in an Agility Class or three first places in Jumping Classes at Grade 2 at Kennel Club licensed Agility Shows, or elected to progress on points from Grade 1. *N.B. Owners, handlers or dogs previously qualified out of Grade 2 (Starters) are not eligible for this class.*

Grade 3 (Graduate) Open to dogs which are not eligible for Grade 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed Agility Shows and dogs which are not eligible for Grade 4,5,6 or 7

Grade 4 (Novice) Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 3 or elected to progress on points from Grade 3 at Kennel Club licensed Agility Shows and are not eligible for Grade 3, 5, 6 or 7.

Grade 5 (Intermediate) Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 4 or elected to progress on points from Grade 4 at Kennel Club licensed Agility Shows and are not eligible for Grade 3, 4, 6 or 7.

Grade 6 (Senior) Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 5 at Kennel Club licensed Agility Shows and are not eligible for Grade 3, 4, 5 or 7.

Grade 7 (Advanced) Open to dogs which have gained a minimum of 4 first places at Grade 6 at Kennel Club Licensed Agility Shows, 2 first places must be gained in Agility (not Jumping) Classes.

Championship Class (Kennel Club Championship Agility Certificate)

Open to dogs having qualified to compete in Grade 7. To consist of 2 qualifying rounds of Standard Kennel Club Classes, 1 Agility Class and 1 Jumping Class and a final round of Agility to be held at the same Show.

Special Classes

Allsorts (Special Class)

Open to all sizes of dog **that are not entered for any other class** at this show. These classes are intended for dogs/handlers new to competition and those dogs unable to compete at their full height. No weaving poles, tyre or contact equipment will be used and jump heights will be set at 350mm for large dogs and no higher than 250mm for small/medium dogs. The courses will be simple and flowing.

Veteran (Special Class)

Open to all sizes of dog (BC/WSD aged 10 years or older, ABCs aged 8 years or older) **that are not entered for any other class** at this show. These classes are intended for still active elderly dogs unable to compete at their full height. No weaving poles, tyre or contact equipment will be used and jump heights will be set at 350mm for large dogs and no higher than 250mm for small/medium dogs. The courses will be simple and flowing.

"The Eric Memorial Trophy": Class 8. A perpetual trophy will be awarded to the best round for a GSD, Rotty or Doberman (including first crosses that do not include collie). The best round usually means the fastest clear whether placed or unplaced. It is the handler's responsibility to ensure the scribe sheet is marked that the dog is eligible for the trophy. In the event of a dispute Jay McCartan will make the final decision.

The Eric trophy is in memory of Jay McCartan's first agility dog, a large friendly fun loving GSD, he always tried but never was going to be a world beater. He never made it out of Elementary and sadly retired from agility at the age of 5 years due to arthritis.

All events will be judged under the appropriate Kennel Club regulations H & H (1) in force at the time of the event. Competitors entering any competition will be deemed to have agreed to abide by these regulations.

If the entry for the heat exceeds the Kennel Club limit for a judge in a day, then the class will be equally split and another judge appointed for the second part. Qualifiers and reserves from that heat will be taken in equal proportion from each part, giving the total number originally required from that heat. Rosettes and awards remain unchanged if the heat is split.

Dogs entered in any heats must be eligible for the competition entered. Judges retain the right to check the height of any dog or ask to see the height stated in the Kennel Club Record Book.

Competitors can qualify for any Olympia final but it must be with different dogs. The first final a handler qualifies a dog for will be the final that particular dog competes in at Olympia.

THE KENNEL CLUB OLYMPIA LARGE DOG AGILITY STAKES

Competitors may enter more than one dog in a heat. Competitors may qualify more than one dog for the semi-final. Only one dog may qualify for the final (the first dog qualified at the semi-final). Once a dog has qualified for the final/semi-final, further heats may be entered for competition although any placings in these further heats will not affect the dog's eligibility for the final/semi-finals.

The first five previously unqualified placed dogs from each heat will go forward to one of the two semi-finals at the City of Birmingham Show at Stoneleigh. The first eighteen dogs from each semi-final will qualify for the final at Olympia.

The thirty-six dogs who qualify for Olympia will be invited to compete in a further semi-final at Olympia. The top ten highest placed dogs in the Olympia semi final will qualify for the final at Olympia.

Those dogs eligible to compete in competition for Large dogs are those measuring over 430 mm (1 foot 5 inches) at the withers.

This competition will be classified as combined Grade 6 & 7 and judged under the Kennel Club regulations for standard classes.

DFS Crufts Agility Heat Regulations 2011/12 General Regulations

The following regulations apply to all DFS Crufts qualifying Agility Competitions & heats.

All events must be judged under the appropriate Kennel Club regulations H & H (1) in force at the time of the event. Competitors entering any competition will be deemed to have agreed to abide by these regulations.

All heats must take place at Kennel Club licensed shows and the class name in the schedule should replicate exactly the name of the competition as stated in these regulations.

All Kennel Club supported competitions should be judged using standard marking.

If the entry for the heat exceeds the Kennel Club limit for a judge in a day, then the class will be equally split and another judge appointed for the second part. Qualifiers and points from that heat will be taken in equal proportion from each part.

Dogs entered in any heats must be eligible for the competition entered. Judges have the right to check the dog's Kennel Club Agility Record Book to ensure the dog is running in the correct height category. Where points are accumulated throughout the year these will be allocated to the specific handler and dog partnership (no substitution of dog or handler may be made). If there is an equality of points after all the heat results have been calculated, the dog and handler partnership which has achieved the highest place at a heat will take preference in the final allocation of places.

DFS CRUFTS Singles Agility Competition 2011/12

Qualifying heats will be scheduled as a standard combined class for grades 6 & 7. There will be a separate qualifying competition for each height category (small, medium, large) with 12 heats for each height, held at Kennel Club licensed shows throughout the country.

Eligibility

Competitors may enter more than one dog in a heat. Competitors may qualify more than one dog for the final.

Qualifying

The first 10 placed dogs in each heat will have the following points awarded:

1st place = 10 points, 2nd place = 9 points etc. down to 10th place = 1 point. Qualifying points will be awarded down to 10th even if the show does not award class places down to 10th. The 16 large dogs, 10 Medium dogs and 10 Small dogs with the highest accumulation of points will be invited to compete in the DFS Crufts Singles Agility Finals at DFS Crufts 2012.

If a qualified handler or dog is unable/unfit to attend the final, reserves will be taken from

dog/s with the highest number of points from the heats which have/has not qualified.

DFS CRUFTS Team Agility Competition (Special) 2011/2012

These competitions will be scheduled as a Special combined class for grades 1 to 7 with a separate qualifying competition for each height category.

There will be up to 8 separate heats for the Large height category and up to 9 heats for Small and Medium category held at Kennel Club licensed shows throughout the country.

Eligibility

This event is open to teams from Kennel Club registered clubs which, at the time of entry to the qualifying heat, have indicated in their Kennel Club registration details that they have an interest in agility. Each team entry will consist of 4 handlers with 4 dogs from the same height category, plus up to 2 reserves. Only dogs and handlers entered as reserves at the qualifying event will be permitted to compete for that team in the final should a change of dog be necessary. All team members must be members of the registered club at the time of qualifying for the DFS CRUFTS Teams Final.

Clubs may only qualify one team in each height category for the final at DFS CRUFTS 2012

Once a handler or dog has **run** for a Kennel Club Registered Club in a DFS CRUFTS Team Agility qualifying event they cannot run for another Kennel Club Registered Club in a qualifying event at the same height category during the qualifying year. (Handlers or dogs entered as reserves may run or be entered as reserves for a different team, provided they did not run in the original team's heat).

Competition Rules

The competition will be held under Kennel Club rules and regulations for Agility and any handler entering the competition will be deemed to abide by the rules and regulations. Standard rules will apply and all equipment used shall be of a standard size set at the maximum height for each category.

As this is an Agility competition the course must include at least two items of contact equipment. It is a team relay event and a suitable baton should be used which must remain behind the start line at all times. When the dog/handler returns to the start/finish, there will be a baton change between the handlers. No part of the next dog/handler must be over the start line at the change over; failure to observe this will incur a penalty of twenty faults.

Qualifying

The winners of each heat will be invited to DFS CRUFTS 2012 to compete in the Small, Medium or Large Finals. In the event that the winning team or club in a heat has already qualified for the final then the highest placed unqualified team in the heat will be invited to the final at DFS CRUFTS.
