Structure

Each competitor will be guaranteed to run 4 qualification rounds: 2 x agility rounds and 2 x jumping rounds. These courses will be the qualification rounds for the Sunday evening final. Over the 4 rounds each dog and handler combination will score points from their placing's. The top 20 dogs in each height category after the 4 rounds will go forward into the Sunday evening Grand Championship Finals, where the winners will be crowned "Kronch British Agility Champion".

Scoring of the qualification rounds

In the qualification rounds faults will be turned into time, e.g. 5 Faults = 5 seconds, and added to the time taken to complete the round.

As a dog and handler partnership you will be able to gain points for each of the rounds if you place within the top 25 of Small and Medium Size Categories or the top 30 of Large dog Categories. Dogs placing outside the top 25 in small and medium or the top 30 in the large will score 1 point unless eliminated, in which case NO points will be awarded.

Scoring of the Finals

The Finals will be scored as per normal, i.e. dogs with the least faults in the fastest time will win.
