## Noise Control at the show..... Important Please make sure you read this carefully.

1. A local tannoy will only be used for the full duration of the show. This means that we will only have one speaker mast outside of the secretary's trailer, instead of 5 - 6 masts that we normally have located around the venue.
2. Camping units that are usually sited closest to the house that backs onto the show venue will be moved further away. No day parking will be allowed here either.

We suggest that you bring walkie talkies to the show. The channel to broadcast ring calling /messages will be published with the running orders. We will also send out a time study on the ring plan which will show approximate times that each class may run for.

## ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Open Agility Shows (i.e. Limited Agility Shows, special classes and invitation events excepted). Only a first place with a clear round **within course time** will count towards grade progression.

Agility classes to include contact points and Jumping classes where there are no contact obstacles. With this proviso classes are defined as follows:-

**Class Structure.** A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

**Progression.** Progression from each Grade will require one Agility win or three Jumping wins at that grade, except that progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

**Points Progression.** At the handler's discretion a dog may progress up to Grade 5 by winning 75 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

## STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

### **DOGS IN CARS ON HOT DAYS**

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts traveling to and whilst at KC licensed events.

- When traveling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether traveling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

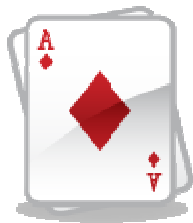

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY**

**FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

## DIRECTIONS TO THE VENUE

### Directions from the Humber Bridge

After crossing the river take the first slip road sign-posted Barton and Winterton (A1077) and take the 3rd exit at the slip road roundabout.

Follow this road through the village of South Ferriby, past the cement works and along the side of the river. As the road leaves the side of the river you will approach some very sharp bends in the road. On one of these bends take a left turn sign-posted Appleby and Broughton.

Take the 2nd turning on your right sign-posted Winterton. The venue is ¼ mile on your right hand side. If you reach the mini roundabout you have gone too far.

### From the A15 (Lincoln, Newark etc)

At the junction with the M180 take the 2nd exit at the roundabout signposted A18 Scunthorpe, Brigg and Broughton. Now proceed to \*

### From the East (Grimsby etc)

Leave the M180 at junction 4 and take the 3rd exit at the roundabout signposted A18 Scunthorpe, Brigg and Broughton. Now proceed to \*

### From the West (M1, M18, M62 etc)

Leave the M180 at junction 4 and take the 1st exit at the roundabout signposted A18 Scunthorpe, Brigg and Broughton. Now proceed to \*

\* At the next roundabout take the 2nd exit sign-posted **Broughton**. At the mini roundabout in Broughton Village bear left sign-posted **scenic drive**. In approx. 2.5 miles you will reach a railway crossing. Care is needed here, as the crossing is very uneven.

Having driven through the village of Appleby continue for approximately 2 miles, taking the 3rd turning on your left sign-posted **Winterton** (do not take the first turning on your left which is also sign-posted Winterton as this involves a difficult junction for caravans!). The venue is ¼ mile on your right hand side. If you reach the mini roundabout you have gone too far.
