ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1 (Elementary)

For owners, handlers or dogs which have not gained a first place in an Agility Class or three first places in Jumping Classes at Kennel Club licensed Agility Shows. *N.B. Owners, handlers or dogs previously qualified out of Grade 1, (Elementary) are not eligible for this class.*

Grade 2 (Starters)

Open to dogs which are not eligible for Grades 1, 3, 4, 5, 6, 7 and have not gained a first place in an Agility Class or three first places in Jumping Classes at Grade 2 at Kennel Club licensed Agility Shows, or elected to progress on points from Grade 1. *N.B. Owners, handlers or dogs previously qualified out of Grade 2 (Starters) are not eligible for this class.*

Grade 3 (Graduate)

Open to dogs which are not eligible for Grade 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed Agility Shows and dogs which are not eligible for Grade 4, 5, 6 or 7.

Grade 4 (Novice)

Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 3 or elected to progress on points from Grade 3 at Kennel Club licensed Agility Shows and are not eligible for Grade 3, 5, 6 or 7.

Grade 5 (Intermediate)

Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 4 and are not eligible for Grade 3, 4, 6 or 7.

Grade 6 (Senior)

Open to dogs which have gained a minimum of 3 first places at Grade 5 at Kennel Club licensed Agility Shows, one of which must have been gained in an Agility (not Jumping) Class, and are not eligible for Grade 3, 4, 5 or 7.

Grade 7 (Advanced)

Open to dogs which have gained a minimum of 4 first places at Grade 6 at Kennel Club Licensed Agility Shows, 2 first places must be gained in Agility (not Jumping) Classes.

SPECIAL CLASSES

Class 35 & 71 Junior Jumping - All juniors must be under 14 years old on the day of competition. Kennel Club standard marking regulations apply.

Class 36, 37, 72 & 73 Any Size Jumping - This class is intended for all sizes of dogs that are not entered in any other class at this show and is particularly suitable for inexperienced dogs or handlers and those dogs that are unable to compete at their full height. The class will have no weaves, tyre, long jump or contact equipment and jumps will be set at 35cm for Large dogs and 25cm for Small & Medium dogs. The course will be very simple and flowing. One set of awards for large, medium & small dogs; the class will run as one combined class. Kennel Club standard marking regulations apply.

Class 10, 11, 21, 22, 32, 33, 47, 48, 58, 59, 69 & 70 Helter Skelter Jumping - A jumping class designed in the format of the 'rounded' action of a Helter Skelter. This class will only include jumps and tunnels at the discretion of the judge.

TAG Team Dash sponsored by TAG & Norton Rosettes

The TAG Team Dash is a competition for teams of four dogs and handlers, run as a relay over a simple jumping course. It is designed as a flowing sprint event with spectator appeal; accessible to all grades of handlers and all heights of dogs. Teams of four large, four medium or four small dogs run over the same course at their own height, under identical conditions.

There are ten qualifying heats. The top two teams from each heat, regardless of height, qualify for a final comprising of twenty teams at the TAG August show at Uttoxeter Racecourse.

It is a requirement of this competition that the course contains few (if any) traps, and is of 'fast and flowing style'. A simple course such as a figure of eight, or a largely circular or helter-skelter style course is most appropriate.

1. The competition is classified under Kennel Club Regulations as Combined Grades 1 to 7 and Special, and will be held under KC Rules and Show Regulations H & H1 as in force at the date of the competition. Additional rules apply as described below. Competitors entering this competition are deemed to have agreed to abide by these rules.
2. All dogs entered in the team (including reserves) MUST be entered in the show in at least 1 normal height class (i.e. not veterans or anysize).
3. All teams must consist of four dogs of the same height classification, handled by four separate handlers. All teams will compete over the same course at the appropriate height of the team of dogs competing.
4. Substitute dogs for teams are permitted, provided that (i) the dog(s) is/are already entered in the show, (ii) the dog(s) is/are not already entered in another team in this heat and (iii) alterations are made before the run and recorded on the scribe sheet.
5. Dogs may only compete in one team in any given heat. Should one dog be entered in more than one qualifying team across the heats then the first team to have qualified will go through to the final and any subsequent teams will not be eligible (this DOES NOT apply to handlers).
6. The course must contain two changeover lines, clearly marked with start/finish poles, each with a minimum gate width of 4m. Dogs 1 & 3 start behind line A and finish behind line B. Dogs 2 & 4 start behind line B and finish behind line A. (Handler 1 may use a recall start). The inward and outward courses can be different, but both dogs from behind the same line must run the same course.
7. The course each dog is required to negotiate shall contain no less than 14 and no more than 20 obstacles.
8. This is a relay event and two suitable batons must be provided. All baton changes must be completed with the handlers and dogs behind the appropriate changeover line. Failure to comply with this, or an incorrect baton change (i.e. throwing or dropping the baton at changeover) will incur a penalty of 50 points on each occasion. Stewards may be appointed by the judge to adjudicate changeovers if required.
9. For each dog an elimination on the course incurs a single penalty of 100 points, however the judge will continue to mark any further faults on the remainder of the course and the faults of any remaining dogs.
10. The team with the fastest time and the least faults, wins. The top two teams from each heat qualify for the final (unless the heat is split – see rule 11).
11. If the entry for a heat exceeds the KC limit for a judge in a day then the class will be equally and randomly split. The winning team from each part will be regarded as the two qualifying teams from that heat.
12. Only the members of an original qualifying team (as specified on the scribe sheet at the time of the run) or the two original named reserves, will be allowed to compete in the final.
13. In the event of a team being unavailable for the final, a reserve team will be called from the heat in which the qualifying team qualified.

Individual trophies and rosettes will be provided for 1st and 2nd placed teams and individual rosettes will be provided for 3rd to 6th placed teams (in the event of a split heat, trophies will go to 1st and rosettes to 3rd for each part).

Directions from the North & South

Exit M6 at Junction 32 and join the M55 signposted Blackpool/Preston A6. After ½ mile exit M55 and follow signs for A6. At the roundabout turn right onto the A6 towards Garstang. Continue along this road for around 1 mile until you get to the crossroads at Broughton (Texaco garage on your right just before the lights). At this crossroads turn right onto Whittingham Lane B5269 and continue for around 5 miles on the B5269, it bears sharply to the right and becomes Cumeragh Lane and then becomes Whittingham Road which is quite built up with houses.

Turn left onto Halfpenny Lane and continue for half a mile and then turn right onto Inglewhite Road. Shortly after this you will turn left onto Chipping Lane, **continue forward onto Longridge Road (changes to Elm Brown after a short time) keep following this road past an unused small church on the left. After a while you will approach a turning, there are signs indicating that the road bears to the left, stay on Elm Brown and bear round to the left following the signs for **Chipping 1¾ and Inglewhite** (do not take the right turn which is signposted for Longridge, Preston, Chaigley, Whitewell, Whalley, Gibbon Bridge Hotel). Keep going and you will come to some stone cottages on the right. Just after these and before the white painted & stone cottages turn right onto Longridge Road, it is signposted saying **Chipping 1½ and also a brown sign for Bowland Wild Boar Park**. Venue is approx 1 mile down this road on the left.

South alternative

As an alternative to the directions above if travelling from the South you can exit the M6 at J31A and then follow the B6242/B6243/B6244. This does involve driving through Longridge village which may be busy on a Friday afternoon and also involves going over a narrow bridge so it might not be ideal if towing.

The route this way is M6 J31A take the B6242 exit to Preston (E)/Longridge, at the roundabout take the 1st exit onto Bluebell Way/B6242, at the roundabout take the 3rd exit onto B6242, at the roundabout take the 1st exit onto Longridge Rd/B6243. Continue to follow B6243, go through 1 roundabout, at the next roundabout take the 1st exit onto Preston Rd/B6244, at the roundabout take the 2nd exit onto Derby Rd, at the roundabout take the 1st exit onto Inglewhite Rd, go through 1 roundabout, bear right onto Chipping Lane (Alston Arms) and then follow instructions from ** above.

Dogs in Vehicles on Hot Days

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED
