Eligibility for Classes

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. Special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, at either Full Height or the Lower Height Option, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

Eligibility and Definition of Classes – Standard Classes

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

N.B. Owners, handlers or dogs previously qualified out of Grade 2 (Starters) are not eligible for this class.

The competition will be run under the relevant Kennel Club Regulations in force at that time. All handlers will be deemed to have agreed to abide by these rules and regulations.

Each Heat is open to all Grade 1-2 dogs of the correct size for each heat, each heat will offer awards for the heights on offer as follows; Rosettes 1st – 10th in Large height, trophies to 1st and 2nd and Rosettes 1st – 5th in Medium and Small heights, trophy to 1st.

Both handler and dog may only qualify once for each height Final. Each handler and dog pairing may only qualify once for the Final. In the event of the highest placed dog(s) having qualified previously, the next highest placed dog(s) will qualify.*

Finalists should normally compete at the height at which they qualified however if a heat takes place at a show with no LHO, they can choose to compete at the final at LHO. Should a handler qualify at LHO and wish to compete at FHO in the final this would be permitted. (Dogs will NOT be allowed to compete at LHO if qualified at FH in a heat offering both height options)

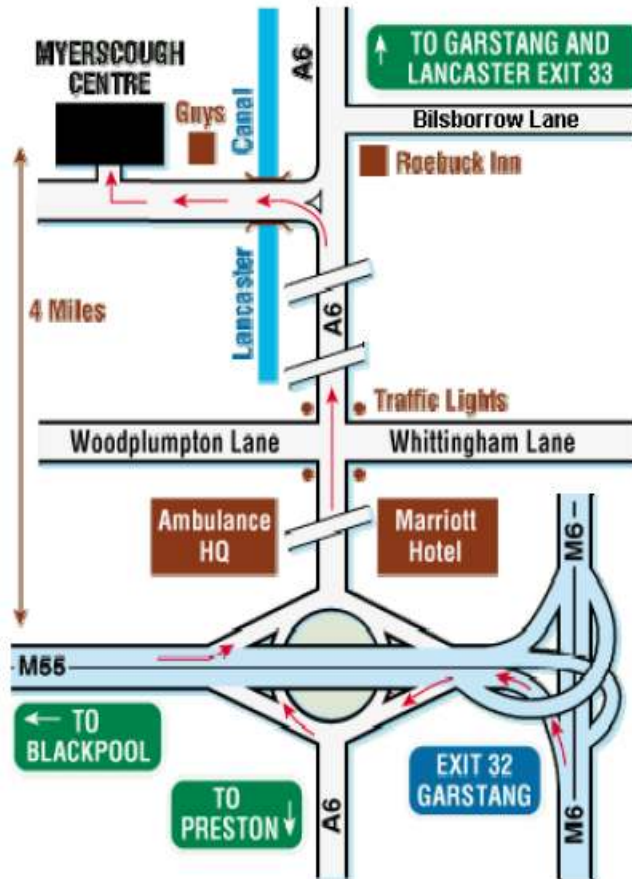

* The show secretary must be informed if a handler or dog that has already qualified for the same height Final is placed in a subsequent Heat.

Further rosettes may be awarded by Wyre (Lancs) Agility Club up to 10% of entry numbers.
