For grades with over 100 dogs in a graded class, trophies will be to a minimum of third place.

### Eligibility for Classes

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. Special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

**Class Structure.** A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

**Progression.** Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class.

Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

**Points Progression.** At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

### Eligibility and Definition of Classes – Standard Classes

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Those dogs eligible to compete in Medium dog competition are those measuring over 350 mm (1 foot 1¾ inches) and those measuring 430 mm (1 foot 5 inches) or under at the withers.

Trophies will be as detailed in the awards section of this schedule. Rosettes will be awarded for 1<sup>st</sup> to 6<sup>th</sup> place. Further rosettes may be awarded by Wyre (Lancs) Agility Club up to 10% of entry numbers.

### **Dog Vegas Medium (Class 16) / Small (Class 24) Agility Combined Grades 1 to 5 Rules Supported by SHOW OFFS ROSETTES (Tel Cheryl on 01246 233759)**

1. These classes must be judged under the appropriate Kennel Club Rules in force at the time of the competition.
2. If the entry for a heat exceeds the KC limit for a judge in a day then the class will be equally and randomly split and another judge appointed for the second part.
3. All competitors entering the class will be deemed to have agreed to abide by the rules of the Kennel Club and the specific regulations governing this class.
4. The competition is open to Kennel Club registered dogs eligible to compete at Medium / Small Height Grade 1, 2, 3, 4 & 5.
5. Handlers may enter more than one dog in the competition and may qualify more than one dog for the final event.

Handlers who have already qualified their dog for the final must report this fact to the appropriate Show Secretary before running in the class. If the already qualified dog then qualifies again, the place will be awarded to the highest placed unqualified dog.
7. The first three dogs from the heat will be invited to compete in the final. The next three dogs will be held as reserves. If the class is split the top two dogs from each part will be invited to compete in the final. The next top two in each part will be held as reserves.
8. In the event of a dog being unable to compete in the final due to unavailability, illness or injury the reserves from that heat will be called up in numerical order.
9. In the event of a handler being unable to compete in the final due to illness or injury a substitute handler for the qualifying dog will be allowed to run the dog, providing the substitute handler is still eligible for Grade 1, 2, 3, 4 or 5.

**Each Heat is open to all Grade 1-2 dogs** of the correct size for each heat, but only those handled by an Agility Club member at the time of competing may qualify for the Final.

The competition will normally consist of between ten and fifteen Heats. The two highest placed Agility Club members in each Heat will go through to the Final, providing they are placed within the top 10% of the class. In the instance where 10% falls to a decimal place, then it should be rounded up to include the next placing.

Both handler and dog may only qualify once for each height Final.

The show secretary must be informed if a handler or dog that has already qualified for the same height Final is placed in a subsequent Heat.

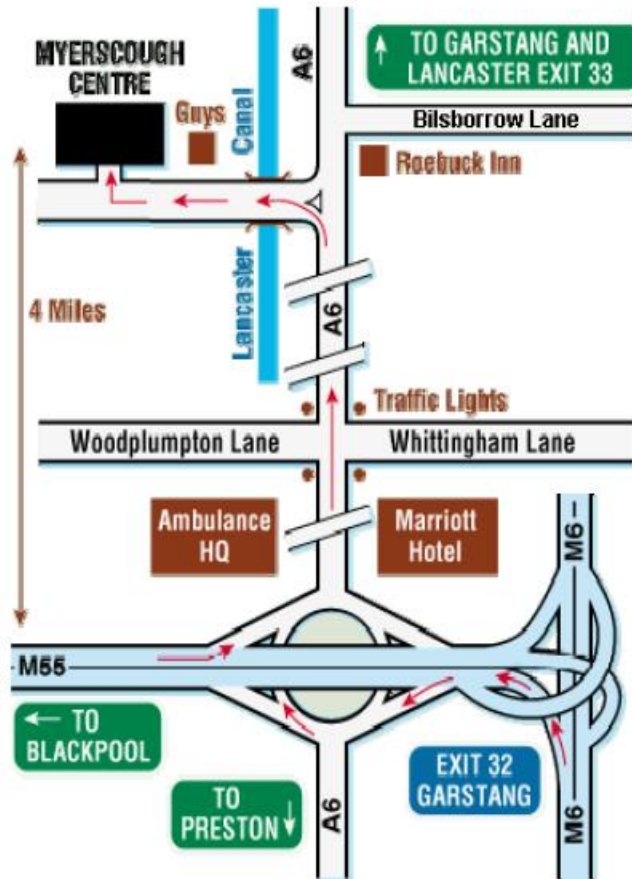

Rosettes to 10th place for the large class and 5th place for medium and small. Trophies to 3rd place for the large class and to 1<sup>st</sup> place for medium and small.

### YKC Junior Jumping Qualifier - Rules and Qualification Procedure

- Fully paid up members aged 6-17 years can take part in these qualifiers.
- There will be six classes as defined in the Young Kennel Club rules & regulations.
- The first and second placed handler and dog in each subdivision at each qualifying class will be invited to take part in the YKC Jumping Dog of the Year Final at Crufts provided that at least six dogs are entered into the division AND complete the course i.e. dogs are not eliminated.
- If less than 6 dogs complete the course (or less than 6 dogs are entered) then the first placed dog and handler only will qualify.

- If a dog has already qualified at a previous heat, the placing will not roll down.
- The YKC Office will place handlers in the correct division in accordance with their age group on the first day of Crufts.
- Members must ensure that their fees to the Young Kennel Club (YKC) are up to date and fully paid in order to enter any Young Kennel Club class. If you enter or compete in a Crufts qualifier and you have not previously paid your membership fee then any award will not count towards qualification for Crufts. Proof of membership fee payment will be required in order for an award to be accepted and confirmed as a Crufts qualification.
