Eligibility and Definition of Classes

This classification should apply to competitions for large, medium & small dogs. In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Open agility shows (i.e. limited agility shows, special classes & invitation events excepted). Only a first place with a clear round will count towards grade progression. Societies may schedule classes other than those defined below. The eligibility for “special” classes must be defined by the society & included in the schedule. The word “special” must be included in the title of the class. Agility classes to include contact points & jumping classes where there are not contact obstacles. With this proviso classes are defined as follows:

Class Structure: a class may either be held as a **Graded class** or a **Combined class**. A Graded class may be scheduled for one or more consecutive grades with separate results & awards issued for each grade. A Combined class may be scheduled for more than one consecutive grade with one overall set of results.

Progression: Progression from each grade will require one agility win or three jumping wins at that grade, except the progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from combined classes will only count towards progression from the dog’s current grade.

Points Progression: at the handler’s discretion a dog may progress up to grade 5 by winning 75 points at each grade, using the Agility Warrant points scheme, regulation K3.c refers, except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the show secretary signs the dog’s Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however, once a dog has progressed, it cannot return to a previous grade.

Only first prizes & points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade).

Grade 1 (Elementary)	For owners, handlers or dogs which have not gained a first place in an agility class or three first places in jumping classes at Kennel Club licensed Agility Shows. N.B. Owners, handlers or dogs previously qualified out of grade 1 (Elementary) are not eligible for this class.

N.B. Owners, handlers or dogs previously qualified out of Grade 2 (Starters) are not eligible for this class.
Grade 3 (Graduate)	Open to dogs which are not eligible for Grade 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed Agility Shows & dogs which are not eligible for Grades 4, 5, 6 or 7.

DOGS IN CARS ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.
