THE RAS/CSJ MEDIUM ABC AGILITY STAKES

The RAS/CSJ Medium ABC Agility Stakes is sponsored by

RAS – suppliers of Superb Quality Rosettes and Ribbons for all occasions, selling all the supplies you need to run a successful show.

CSJ – a unique range of natural canine feeds, herbal supplements and treats to meet the requirements of all working dogs and has now become the first choice for many of the top dog handlers in agility and many other canine sports.

1. The RAS/CSJ Medium ABC Agility Stakes is a special agility competition to be run under Kennel Club Rules and Regulations H for Medium dogs.
2. The competition is open to all grades of Medium dogs (1-7) **excluding Border Collies, Working Sheepdogs and their crosses** (Any Breeds but Collies).

Clarification: for this competition, a BC or WSD cross is any dog that is 50% or more BC or WSD. In the event of dispute, the matter can be referred, with evidence, to the organiser who will investigate. Any wins/placings will stand unless the disputed dog is deemed by the organiser to be ineligible for the class, in which case the next eligible dog(s) will be promoted (See Note to Judges below).

3. The first two dogs of each heat will qualify for the Final. The next best placed dogs at a heat will be deemed to be reserves should a qualified dog be unable to attend the Final. Reserves from heats may be invited to attend the Final up to and including the closing date of the Finals Show. After the closing date NO reserves will be called even if other qualifiers have to retire/withdraw.
4. Those dogs eligible to compete in the Final shall be the best-placed dogs in each heat which have not previously qualified.
5. Dogs that have already qualified for the Final may enter further heats for competition, and receive prizes for any placings. There will be a trophy for the first placed dog and for the highest placed qualified dog. (Which may be the same dog, except where the winner of the heat has already qualified.)

It is the responsibility of the owner/handler of a previously qualified dog to inform the Show Secretary and heat scribe **before** competing in further heats.

6. A handler may qualify more than one dog for the Final.

7. The Final will be held at the Hare 'n Hounds Show in September 2012. Any alteration will be publicised.

8. Owners, handlers and dogs who enter the heats or attend the Final will be deemed to have accepted the Rules and Regulations of the competition and the organising show.

9. The organiser reserves the right to alter these Rules and Regulations at their discretion.

This section does not need to be included on the schedule:

Note to judges:

- This is an agility competition that must contain at least two items of contact equipment (which may be traversed more than once each) and at least one set of between 5 and 12 weaves.
- In the event of a query over a dog's eligibility to run in the class, allow it to proceed, but inform the Show Management with any evidence of its ineligibility, who will pass on the evidence to the Medium ABC Agility Stakes organiser, who will investigate. In the event of an ineligible dog having been found to be placed or qualified, these placings/qualification will be removed and the next placed dog(s) promoted, and the dog and handler barred from further entry in the Stakes at any further shows.

The Chase the Ace Team Qualifier

Supported By

Chase the Ace is a competition for teams of four dogs and handlers, run as a relay over a simple "circular", "Helter Skelter" or "Figure of Eight" jumping course. It is designed as a flowing sprint event with spectator appeal; accessible to all grades of handlers and all heights of dogs. Teams of four large, four medium or four small dogs run over the same course at their own height, under identical conditions. **No Tyre can be included in the course**.

There are 6 qualifying heats. The top two teams from each heat, regardless of height, qualify for a final comprising of 12 teams at the Dog Vegas Dogs Summer Holiday show.

- The competition is classified under Kennel Club Regulations as Combined Grades 1 to 7 and Special, and will be held under KC Rules and Show Regulations H & H1 as in force at the date of the competition. Additional rules apply as described below. Competitors entering this competition are deemed to have agreed to abide by these rules.
- All dogs entered in the team (including reserves) **MUST** be entered in the show in at least 1 normal height class (i.e. not veterans or anysize).
- All teams must consist of four dogs of the same height classification, handled by four separate handlers. All teams will compete over the same course at the appropriate height of the team of dogs competing.
- Substitute dogs for teams are permitted, provided that (i) the dog(s) is/are already entered in the show, (ii) the dog(s) is/are not already entered in another team in this heat and (iii) alterations are made before the run and recorded on the scribe sheet.
- Dogs may only compete in one team in any given heat. Should one dog be entered in more than one qualifying team across the heats then the first team to have qualified will go through to the final and any subsequent teams will not be eligible (this **DOES NOT** apply to handlers).
- The course must contain two changeover lines, clearly marked with start/finish poles, each with a minimum gate width of 4m. Dogs 1 & 3 start behind line A and finish behind line B. Dogs 2 & 4 start behind line B and finish behind line A. (Handler 1 may use a recall start). The inward and outward courses can be different, but both dogs from behind the same line must run the same course.
- The course each dog is required to negotiate shall contain no less than 14 and no more than 20 obstacles.
- This is a relay event and two suitable batons must be provided. All baton changes must be completed with the handlers and dogs behind the appropriate changeover line. Failure to comply with this, or an incorrect baton change (i.e. throwing or dropping the baton at changeover) will incur a penalty of 50 points on each occasion. Stewards may be appointed by the judge to adjudicate changeovers if required.
- For each dog an elimination on the course incurs a single penalty of 100 points, however the judge will continue to mark any further faults on the remainder of the course and the faults of any remaining dogs.
- The team with the fastest time and the least faults, wins. The top two teams from each heat qualify for the final (unless the heat is split – see rule 11).
- If the entry for a heat exceeds the KC limit for a judge in a day then the class will be equally and randomly split. The winning team from each part will be regarded as the two qualifying teams from that heat.

- Only the members of an original qualifying team (as specified on the scribe sheet at the time of the run) or the two original named reserves, will be allowed to compete in the final.
- In the event of a team being unavailable for the final, a reserve team will be called from the heat in which the qualifying team qualified.

Individual trophies and rosettes will be provided for 1st and 2nd placed teams (in the event of a split heat trophies will go to 1st placed teams for each part).

**Eligibility and Definition of Classes**

This classification should apply to competitions for large, medium & small dogs. In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Open agility shows (i.e. limited agility shows, special classes & invitation events excepted). Only a first place with a clear round will count towards grade progression. Societies may schedule classes other than those defined below. The eligibility for “special” classes must be defined by the society & included in the schedule. The word “special” must be included in the title of the class. Agility classes to include contact points & jumping classes where there are not contact obstacles. With this proviso classes are defined as follows:

**Class Structure:** a class may either be held as a **Graded class** or a **Combined class**. A Graded class may be scheduled for one or more consecutive grades with separate results & awards issued for each grade. A Combined class may be scheduled for more than one consecutive grade with one overall set of results.

**Progression:** Progression from each grade will require one agility win or three jumping wins at that grade, except the progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from combined classes will only count towards progression from the dog’s current grade.

**Points Progression:** at the handler’s discretion a dog may progress up to grade 5 by winning 75 points at each grade, using the Agility Warrant points scheme, regulation K3.c refers, except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the show secretary signs the dog’s Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however, once a dog has progressed, it cannot return to a previous grade.

Only first prizes & points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade).

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.
